NEWSLETTER NO 7  
MAY 2012

## FLYING CLUB NEWS

### THE WINDSOCK

The windsock has now been made more visible by installation of a black circular plastic base and the placement of painted white tyres. This was conducted on the Easter weekend under the supervision of Andrew Heinrich, with thanks also to Frank Nicholls Dave Willson and Ian Denton. Ian also organised the tyres and painted them. A new windsock has been purchased and will be installed at a later date. Thank also to Andrew for adjustments to the drain to accommodate the windsock base.

### TERMINAL BUILDING

At the last committee meeting on Tuesday the 15th May, Ian McKendrick attended to give the committee an update on the progress of the terminal building. The slip lane issue has been resolved with no cost to the CVFG which means full steam ahead with the construction of the building. An information session/social get together will be held prior to the next committee meeting at Gally's meeting house Farrell Flat for anyone who would like to hear the latest. This will be held on the 3rd July commencing with a pizza tea at 6.30, Ian will attend and be happy to answer any questions. For catering purposes, please RSVP Bernie Braddock. (phone number and email listed above) We look forward to seeing many members there.

### CLARE RODEO

Thanks to everyone who helped at this major fundraiser. Special mention to Dave Willson who coordinated the troops throughout the night. Everyone turned up for their duties on time although there was one exception. Frank Nicholls we wont mention any names. Thanks also to Geoff Brock and Kelly Anne Saffin who worked on the main gate and Sonya Czora and Kathy Smith who helped in the counting room.

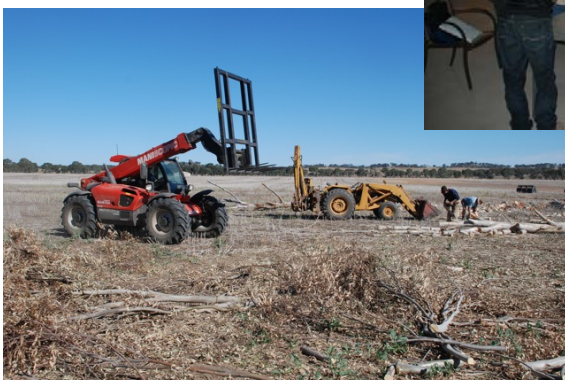

### CROSS STRIP

A working bee was conducted on Saturday the 14th April to cut up trees that were removed to enable construction of the cross strip. A disappointing attendance resulted in only 6 members working diligently to get it all done. Thanks to Dick Smith who brought his tipper, Dave Willson for his front end loader and Mike Chigwidden for his tele loader. On chainsaws were Paul Smith, Tony Smith and Peter Roberts. Andrew Heinrich did the final grade and Paul Smith rolled the strip ready for seeding by Mike Chiggy.

### RAFFLE

CVFG is running a raffle for a trailer load of wood., please contact Frank Nicholls 0417 462 146 if you can help with this.

Fuel in the tank is limited, Gravity is forever
