

Flying Club News

NEW PLANE AT YCVA:

Jason Boxall, Daniel Boxall, Nathan Rowett and Mathew Pleuckenham are the proud new owners of a Jabiru 230 24-7465

The plane was flown down from Sydney by the previous owner on Sunday 5th August he was very impressed with our facility and hopes to return back to the Clare Valley in the not too distant future.

Thanks to Rex Waite who has made his Hangar available for the new Jabiru while the lads get familiar with it and complete their RA-Aus Pilot Certificates with Earl Longstaff.

GRANTS

The CVFG Inc. has been successful in obtaining funding for a stand alone Solar System for the Aerodrome.

The Waterloo Wind Farm Community Fund and the Small Grants For Rural Communities-SGR27.

These grants will enable us to better serve local community groups and businesses that use our Aerodrome facility for meetings and functions as well as providing a powered facility for visitors to our region to use.

Local Electrical Contractors O'Dea Electrical will be installing the system and they have also been very generous in supporting this project .

YCVA FLY INS

Sunday August 23rd The Aeroscene group will be flying into the Aerodrome for coffee and biscuits anyone around please drop in and say hello and have a coffee.

Monday 5th October (long weekend) Aldinga Aero Club members will be flying in to YCVA we will be providing a BBQ, tea and coffee please keep the above dates in your diary and lets get out there and show off our magnificent facility.

JAMESTOWN AIRSHOW OCTOBER 18th

We will be drawing up rosters for working on the soft drink stands as we have done in the past so please make yourself available to help if you cannot please organize a replacement. The Jamestown Group helped us at our Opening so lets get behind them and help out at this great local Airshow Event. Two of the above photos are from Jamestown, the other is the CVFG Inc Executive out and about !!

AGM

A great turn out at the AGM the following members have been elected:
