

## Flying Club News

### SOLO AT YCVA:

Congratulations to Flying Group member Paul Smith who went solo on September 13th a great effort and well done Paul .Thanks again to Earl Longstaff of Spencer Gulf Flight Training for getting Paul to Solo status.

### FLYING CLUB NEWS

The cross strip is looking great thanks to the purchase of our new disc mower. Tony Smith organized the purchase and Paul Smith has been busy replacing blades and getting it into tip top condition. A huge thankyou to Ashley Dickson of County Helicopters who has made his John Deere Tractor available for us to put the mower behind.. Also Peter Roberts has made a steel roller available for us to use on the cross strip as well thankyou Peter. We are also getting 2 more photo collage boards of the Aerodrome construction thanks to Ian and Jenny Denton who have donated them they will be up on the walls soon for everyone to enjoy.

### YCVA FLY INNS

A great day was had by all on Sunday 20th September when Adelaide Aero Club Members flew into YCVA for a BBQ lunch and look around our new Aerodrome facility and all had a great day. Around 7 planes flew in organized by Adelaide Aero Club Secretary David Webster. Monday of the long weekend the Aldinga Aero Club flew in for a BBQ lunch at YCVA 4 planes and 8 people flew in. Thanks to Owen Creeves, Aldinga Aero Club Secretary for organizing the group to fly in and see us on their way back from Arkaroola . A big thankyou to all YCVA members who helped cook and clean up and be there on the day.

### **JAMESTOWN AIRSHOW OCTOBER 18th**

Hope to see you all at Jamestown the Jamestown group put on a Magnificent event . Peter Roberts has sent out a roster for our Members to help selling soft drinks on the day so please be there if you cannot please organize some one to do your allocated time.

**Experience is the sum of times you have scared yourself**
