AUSTRALIAN MOONEY PILOTS ASSOCIATION SPRING FLY IN AT YCVA 8,9&10th September

The Association had members Fly In from all over Australia, there were 10 planes and around 30 people attended. They toured the Clare Valley Region visiting wineries and Martindale Hall as well as Jamestown and Sir Hubert Wilkens home. All were very impressed with our Aerodrome facility. Thanks to Peter Eaton who brought his Whippets out to the Aerodrome for all to see. Was a great experience driving one the 14 km to the Aerodrome and back, especially the back firing down the Clare Main Street.

NEW HANGAR AT AERODROME

The CVFG welcomes new member Mark Jenkinson and his family wife Morag and children Max and Mia to our Group. Mark and family have been at the Aerodrome levelling the site in preparation for the construction of his hangar on area A4.
